## Food hall at garden centre

**A** NEW Food Hall has recently opened within the Poplar Tree Garden Centre, just one mile from Durham City Centre but with the added benefit of free parking.

Brambles Food Hall lies upon the banks of the beautiful river Wear and through the picturesque woodlands of Shincliffe where Poplar Tree offers exclusive relaxing walks.

It's the perfect place to relax and get away from the busy life of the city within a convenient location.

Marketing manager Caroline Curry said: "We were inspired to open the Food Hall and Delicatessen due to the pressure from customers passing through Poplar Tree Garden Centre.

"We began to realise that the local people of Durham and beyond wanted the opportunity of choice for fine foods and would prefer to

support the North East economy directly. Here they can shop in the ambience of a large food hall where they can do their shopping, and also combine it with a bite to eat in Brambles Coffee Shop or a look around the Poplar Tree Florist or the Garden Centre itself.

"To have so much to offer on one site in Durham is rare, especially in today's economic climate, and again that wouldn't be possible without the great people of the North East supporting us."

Brambles Food Hall & Delicatessen offers a mouthwatering array of food, and is joined on to Brambles Coffee Shop, inside Poplar Tree Garden Centre, Durham. It's connected by a walkway from inside the coffee shop. You can also gain access from the outside plant area should you be browsing the vast array of bedding plants in the Garden Centre.

Brambles Food Hall is guaranteed to tempt you away from the supermarket with its wide selection of everything from seasonal fresh vegetables to a fully stocked meat fridge with locally-reared produce from farms within County Durham.

At the delicatessen counter you will be able to choose from a wide selection of locally produced cooked meats and a range of regional cheeses, including those from the Northumberland Cheese Company and Doddington Dairy.

Said Caroline: "We try to cater for all tastes and have a great selection of fresh bread, free range eggs and not forgetting the tempting

**DELI DELIGHT** Cheese on display  
Brambles Food Hall

range of local cakes from Proof of the Pudding and Jenkins & Hustwit. Their old-fashioned farmhouse baking is of the highest quality with cakes and puddings made in County Durham."

No expense has been spared in the preparation for what is becoming one of the North East's most talked about new Food Halls. It provides a one stop shop for all of your food shopping needs.

Brambles Food Hall & Delicatessen is open seven days a week and provides high quality foods at your convenience.

Caroline added: "You'll definitely find the best local produce with a huge choice that varies as the seasons change to give you the flavours month by month."
